

Souza Hub Brand Downloads

Souza Hub brand family resources

Use the latest link for current approved public assets:

<https://resource.souzahub.network/latest/>

Use stable direct asset URLs under:

<https://resource.souzahub.network/releases/latest/>

This package contains branch logos, transparent mascot PNG files, mascot previews, and brand dossier

The root-level legacy logo files on resource.souzahub.network are intentionally not changed by this

Do not publish internal prompts, rejected concepts, compatibility audits, source experiments, or wor

For branch-specific usage, start with the brand dossier PDF inside that brand folder.
